# LOC™ – Multi-Purpose Cleaner

## Liquid Organic Cleaner (based on coconut oil)

### Application

- Cleaning floors (tiles, marble, parquet) & all smooth surfaces
- Cleaning the hands (oil, tar, shoe polish )
- Washing animals (dogs, horses, etc.)
- Removing stains from textiles (including wool and silk)
- Cleaning Fruits & vegetables, especially grapes  
( dilute in a spray bottle as a spray cleaner )

### Advantages

- ✓ Very economical & space-saving – concentrate
- ✓ Hard on dirt & gentle on the skin
- ✓ Doesn't dry out skin because it moisturizes
- ✓ Very biodegradable - environmentally friendly  
(wiping water can even be used as flower water)

# LOC™ – Mini Wipes

## Application

- Removing stains from textiles without a cleaning edge
- Cleaning your hands on the go
- Removing Sharpie on the skin
- On the go for cleaning all smooth surfaces (including toilet seats.....)

## Advantages

- ✓ Practical for small mishaps on the go
- ✓ Small & handy, fits in every handbag
- ✓ Pleasant & mild smell but strong to use
- ✓ Gentle on the skin
- ✓ Dries quickly
- ✓ Fluffy, cotton-soft but tear-resistant fabric

# LOC™ Plus – kitchen cleaner

## Application

- Degreaser in the kitchen for all smooth surfaces, extractor hood, stove, cupboards...
- Dilute 1:3 in a spray bottle
- Nicotine remover for all smooth surfaces and textiles (including curtains)
- Cleaning technical Devices (keyboards, screens.....)
- Removal of mosquitoes and flies from windshields in summer

## Advantages

- ✓ Very economical & space-saving – concentrate
- ✓ No wiping
- ✓ No chafing
- ✓ Very practical as a spray cleaner
- ✓ Antibacterial
- ✓ Fresh clean smell

# LOC™ Plus – glass cleaner

## Application

➤ Window & glass cleaning

## Advantages

- ✓ Very economical & space-saving – concentrate
- ✓ Very practical as a spray cleaner
- ✓ Streakless shine
- ✓ Dissolves grease and dirt quickly and effectively
- ✓ Very effective when cleaning large window surfaces with a “squeegee”

# LOC™ Plus – bathroom cleaner

## Application

- Descaler & cleaner in the bathroom for all smooth surfaces tiles, sinks + fittings, tub, toilet, shower cubicle
- Removal of soap residue
- Also suitable for “Ceramicplus”  
(ceramic with an extremely smooth surface)
- Not suitable for brass

## Advantages

- ✓ Very economical & space-saving – concentrate
- ✓ No wiping
- ✓ No chafing
- ✓ Very practical as a spray cleaner

# WC cleaner

## Application

- Clean toilet bowl
- Removal of stronger limescale stains and deposits
- Removes unpleasant odors

## Advantages

- ✓ Contains organic acid (obtained from plants) that is very biodegradable
- ✓ Phosphate & chlorine free
- ✓ Pleasant smell thanks to Neutralodor
- ✓ Does not attack ceramics, even older ceramics with cracks

# Dish Drops™ dishwashing liquid

## Application

- Hand wash the dishes
- Removes grease and dried food residue quickly and effortlessly
- Washing glasses
- Very economical: dilute 1:4 - makes approx. 5 liters of dishwashing liquid

## Advantages

- ✓ Dishes dry automatically without streaks
- ✓ gentle and skin-friendly
- ✓ Contains aloe vera & other moisturizing substances that help maintain healthy skin (hands do not dry out)
- ✓ Nickel free - no allergies
- ✓ long-lasting rinsing power, binds grease very well
- ✓ Good cleaning and degreasing even at lower temperatures
- ✓ Reduces odor formation in sponges and kitchen sinks
- ✓ Fresh scent, pleasant to use (green citrus scent)

# Dish Drops dishwashing tabs

## Advantages

- ✓ Full cleaning performance even at 40°C
- ✓ All in One product: also contains dishwashing salt and rinse aid
- ✓ Prevents deposits and water stains caused by hard water

# Scourer- Scrub Buds

## Application

- Cleaning pots, ceramic hobs and grill grates
- Removal of dirt and rust
- Removal of fish scales

## Advantages

- ✓ Made of high quality stainless steel - they don't rust
- ✓ Last significantly longer than commercially available products
- ✓ Won't scratch surfaces
- ✓ To clean, pull apart & rinse (e.g. with kitchen cleaner, Zoom, LOC)
- ✓ Cleaning possible in the dishwasher

# Oven cleaner

## Application

- Cleaning the oven - even in seemingly hopeless cases
- Removal of (burnt-in) incrustations on enamelled oven interior surfaces, oven racks, oven trays, grills...
- Not suitable for aluminum surfaces.
- Cold cleaner!!! – **DO NOT** heat up the oven  
. Brush with a brush, let it work for 30 minutes and then wipe off the surfaces with a vinegar/water mixture

## Advantages

- ✓ Cold cleaner: Time and energy savings because there is no heating up
- ✓ Cold cleaner: NO harsh gases in the kitchen after use!!!
- ✓ Simply apply, wait 30 minutes and wipe off - no scrubbing or scrubbing required
- ✓ Very strong cleaning effect
- ✓ Easy to use as a gel (can be easily applied)

## Room spray & odor neutralizer Green Meadows

- ✓ Pleasant scent of a spring meadow for the toilet, kitchen, apartment
- ✓ Contains NEUTRALADOR, which neutralizes the odor, does not mask it
- ✓ Very efficient - a small spray burst is enough for the entire room

# SA8™ Premium laundry detergent

## Application

➤ Wash white and colored laundry at 30-95 °C

## Advantages

- ✓ Very economical & space-saving – up to 150 washes (3 kg package with approx. 25-30 ml per wash, Higher dosage if heavily soiled )
- ✓ Excellent solution for greasy and oily stains
- ✓ Leaves no skin-irritating residues (fillers) in clothing
- ✓ Mild scent (strong fragrance additives often irritate the skin)
- ✓ Better rinsing of the detergent substances due to less foam formation
- ✓ Washing machine works longer as it is automatically descaled with every wash cycle .
- ✓ Environmentally friendly:
  - 1 . No burdensome fillers
  2. Softener & descaler Made from sugar beet & corn (renewable raw materials)
  3. Completely biodegradable
  4. No phosphates contained
- ✓ Energy savings because of high cleaning power even at 30°C
- ✓ Prevents metal corrosion & rust stains in clothing

## Important note before first use

1-2 times **without laundry** at 60-95°C to dissolve the detergent residues and limescale contained in the washing machine  
(otherwise included in laundry!!!)

# SA8™ Color detergent

## Application

- Washing colored laundry & dark clothing

## Advantages

- ✓ Washes effectively from 15 °C using enzymes
- ✓ Very cost-effective & concentrated, only 5ml per 10 liters of water (if hand washed )
- ✓ Colorful textiles retain their brightness and colors for longer
- ✓ Prevents color from rubbing onto other items of laundry
- ✓ Phosphate-free, no bleach or optical brighteners
- ✓ Reduces lint formation
- ✓ Prevents corrosion to avoid rust stains
- ✓ Made from natural sources such as coconut, citrus fruits & natural minerals

# SA8™ liquid detergent

## Application

➤ Very economical liquid detergent for colored and delicate laundry for all temperature ranges

## Advantages

- ✓ Concentrated, very economical & space-saving
- ✓ Biodegradable, phosphate-free, bleach-free
- ✓ Dissolves quickly and can be rinsed out without leaving any residue
- ✓ No annoying detergent residues on clothes
- ✓ Dermatologically tested
- ✓ Very good cleaning & stain removal
- ✓ Energy-saving - washes from just 15° C
- ✓ Preserves the colors: special composition for Machine wash cold if special care is required with strong colors
- ✓ Prevents metal corrosion & rust stains in clothing
- ✓ Contains 2 powerful enzymes (protease & amylase) against protein & carbohydrate stains

# SA8™ Delicate mild detergent

## Application

➤ Gentle liquid detergent for silk, wool, cotton, synthetic fabrics and other delicate fabrics

## Advantages

- ✓ Extremely economical: up to 200 uses when washed by hand
- ✓ gentle and effective cleaning of washable delicates
- ✓ Removes cosmetic stains very well
- ✓ Light floral scent: no strong scent on the textiles
- ✓ Very strong cleaning at low washing temperatures
- ✓ Dermatologically tested: less skin irritation or allergic reactions caused by washing
- ✓ Suitable for hand washing and washing machine

# SA8™ Solutions- textile bleach

## Application

- Effective removal of bleachable stains such as coffee, tea, fruit, lemonade on all washable white and colorfast textiles
- Cleaning coffee and tea deposits in pots, cups and other vessels
- Cleaning dishwashing dishes (coated, stainless steel)

## Advantages

- ✓ Does not contain chlorine - works with oxygen, which treats textiles and surfaces much more gently
  - ✓ Pleasant fresh smell (not the pungent smell you get from chlorine cleaners)
  - ✓ Phosphate free
  - ✓ Very simple & practical use when cleaning surfaces and vessels
- > simply put powder in the vessel or on the surface, hot (from 40 °C) on it and let it work automatically.

## Important NOTE

When using hot water, oxygen is produced, so do not close containers!

# SA8™ Pre-Wash pre-wash spray

## Application

- Effective stain removal: simply spray and wash
- Safe for all washable and colorfast textiles

## Advantages

- ✓ Works without scrubbing or soaking
- ✓ Pleasant citrus scent
- ✓ Removes stains, among other things:
  - Grease and oil stains
  - Dirt edges on shirt collars & cuffs
  - Sweat stains
  - cooking oil, spaghetti sauce , lipstick,
  - Ballpoint pen ink, makeup stains, shoe polish
- ✓ Removes sticker residue and chewing gum

## Important NOTE

Spray on immediately before washing and leave to work for 1-2 minutes
